Seeking Proposals

Seeking regional speakers to propose lectures, workshops, image-maker presentations, educational and other discussion topics for panel presentations, regional graduate program presentations and student presentations.

Proposals must include name and contact information of the proposer, working title, a short, (200 words or less), description of proposed presentation. Panel discussions should list participants with short bios. Images should be submitted when appropriate to topic proposal. Please email proposals to SPESouthEast@gmail.com by Monday, August 1st, 5pm EST.

For questions please contact conference chairs:

Easton Selby and/or Rebecca Nolan at SPESouthEast@gmail.com

We are looking forward a conference celebrating the great energy brought to the region by the long-standing and new regional members.
